

Perseverance

If at first you don't succeed, try, try again!

Grain farmers have to be perseverance superheroes! They face many villains – plant-eating insects, diseases that wipe out crops, and uncontrollable weather. They can't give up; if they did, we would have less to eat!

Perseverance helps everyone have success. Learning new things can be hard – sometimes we have to try and try. Not giving up helps us reach goals.

This is perseverance

- You don't give up
- You keep your eyes on the prize!
- You are patient with yourself
- Mistakes don't stop you

What perseverance looks like

- You use positive self-talk: I can do this!
- You solve problems to reach a goal
- You learn from mistakes

Why perseverance is important

- It helps you meet goals
- It helps you have a growth mindset
- It helps you do your best

How you show it

- Try, try again!

Think about perseverance in your life. Think about how perseverance helps a grain farmer. Use your ideas to complete this chart.

Perseverance in My Life	Perseverance on the Farm
I never give up. I try till I get it.	When a farmer is ready to plant their seeds, they need to be patient and wait for the rain to stop.
