

Exit Ticket - Lesson 3

OPTION 1

Name: _____

Create a 'Cloud Story' drawing. Draw a cloud forming in the sky above a farm. Show how the invisible water vapour turns into a cloud. You can add a farmer looking at the cloud, hoping for rain!

Exit Ticket - Lesson 3*

OPTION 2

Name: _____

Draw a scene on a grain farm that shows **condensation** (clouds forming) and one other part of the water cycle (like **evaporation** or **precipitation**). Use **arrows** and **labels** to show the water moving and changing states.
