

Stage 3 Lesson 2:

Data and Decisions Checklist

Use the checklists to discuss your survey results with your group and how the data informs your business decisions.

Action 1 - Data	Action 2 - Analysis
☐ Review the data from surveys. What are the key takeaways (the important ideas or information)? ☐ Choose how best to present the data, (e.g. bar or stacked-bar graph, table) ☐ Create a graph to present your data.	☐ Discuss the pizza preferences and trends. What did you notice? ☐ Make final group decisions about your product and business ☐ Add the decisions to your team Business Plan.
